**Republic, WA** – The official newspaper of record for notifications on decisions made by the Republic District Ranger will change beginning September 25, 2013.

The new newspaper of record will be the Ferry County View replacing the Republic News Miner.

The official newspaper of record is where official notification for public comment on projects occurs as part of the National Environmental Policy Act (NEPA) and where notifications of decisions made by the Republic District Ranger related to NEPA projects will be published. The Ferry County View will also serve as the newspaper of record for all other notifications related to the Republic Ranger District.
